

## Join our team.

Image Solutions is a company that first and foremost cares about its people and culture. Our culture is one that welcomes and encourages creative thinking, a vibrant working atmosphere, and opportunity to personally impact the growth and future of the company. We are looking to hire hard-working individuals interested in joining our talented team; those eager to work hard as we continue to build a great company together.

Image Solutions hires the best, trains the best, and retains the best.

## We make it happen.

Image Solutions supplies corporate uniforms and branded apparel to many companies across the country, offering live customer service, knowledgeable inventory control, and industry competitive merchandising & design.

We are looking to hire team members who can add value to our incredible growth - a “rock star” eager to become part of a talented team, one who is committed to growing our business and cares about the culture they work in, and the people they work with.

**“Work hard  
and be nice  
to people.”**

## Giving back.

An important part of Image Solutions, and who we are as a company, is giving back. We believe in supporting the community we live and work in. Image Solutions has and continues to give 10% of our company profit to charity and to those less fortunate. And, it doesn't stop there. Our Image Solutions team members have an active voice into where this percentage goes, as we actively host an internal “give back” committee filled with passionate team members, ready to impact this world for the better. Company wide, Image Solutions provides paid time-off for volunteer work so that our team members can make a difference.
